Principal

Vidhyashram International School

Dear Parents,

Intelligence plus character is the goal of true education”.

As the founder Principal, I feel privileged to be a part of Vidhyashram International School, the premier educational institution, where every stakeholder is a learner and every day is an opportunity to learn and discover. I believe in upholding high standards with an absolute commitment to strive, to understand and improve the educational process, using team strategies, while wholly centering on students achievements. Our staff fruitfully employ strategies to foster a positive learning environment for all our students.

21st century world is changing at an accelerated pace and is a challenge for educators to cope up with the changing world order. However, Vidhyashram has adopted changes since its inception and catered to the needs and aspirations of the society. It has always tried to inculcate creativity, critical thinking, innovation along with value education for its students. The school conducts an array of activities throughout the year bringing out all these skills among children. The atmosphere of education has changed in post pandemic times but with the combined efforts of all stakeholders, the new changes have been adopted easily .

I would like to thank the committed, supportive management, dedicated, caring staff and cooperative parents to bring out the best in students.

It has rightly been said

” Children need to be taught how to think, not what to think.”

Regards.

Jai Hind.
